THE

SUITE

More time in the spotlight.
More content that's unmistakably you.

Dedicated individual shoot time each month
Your own time on set, just for your brand.

Approximately half collaborative + half individual content
A mix of shared brand opportunities and content focused on you.

Photos featuring you + your brand
On-brand images that showcase you, your products, and your story.

Individual brand/product photography
Beautiful, detailed shots of your products, space, and brand elements.

Individual Reels + B-roll
Short-form videos, B-roll, and vertical content created specifically for your brand.

Full edited photo gallery
A complete collection of professionally edited images to use across your channels.

Full B-roll library
A library of high-quality video clips for Reels, Stories, and future content.

Creative direction while you're on set
Guidance with styling, locations, posing, and content ideas so you get the most out of your shoot.

More content to use throughout the month
A larger volume of custom content to keep your marketing consistent and effortless.

$1,200 PER MONTH
